4.1 The Order constitutes an offer by you to purchase the Products in accordance with the Supply Terms. After placing the Order, you will receive an e-mail from us acknowledging that we have received the Order. Please note that this does not mean that the Order has been accepted by us.

4.2 All Orders are subject to acceptance by us, and we will confirm such acceptance to you by sending you an e-mail that confirms that the Product has been dispatched (Dispatch Confirmation). The Contract will only be formed when we send you the Dispatch Confirmation. The Contract will relate only to those Products whose dispatch we have confirmed in the Dispatch Confirmation. We will not be obliged to supply any other Products which may have been part of your order until the dispatch of such Products has been confirmed in a separate Dispatch Confirmation.

4.3 You acknowledge that prior to the Contract being formed in accordance with the Supply Terms, copies of the Third Party Licence Terms are available to you from us on request.

4.4 Any samples, drawings, descriptive matter or advertising issued by us, and any illustrations or descriptions of the Equipment or descriptions of the Services or Third Party Software contained in our catalogues or brochures or included on our websites (including the Site) are issued or published for the sole purpose of giving an approximate idea of the Products described in them. They shall not form part of the Contract or have any contractual force.

4.5 The Supply Terms apply to the Contract to the exclusion of any other terms that you seek to impose or incorporate, or which are implied by trade, custom, practice or course of dealing.

4.6 All of the Supply Terms shall apply to the supply of the Products except where application to one or either of the others is specified.
5. **SUPPLY OF PRODUCTS**

5.1 The Products are as described in our catalogues or brochures or included on our websites (including the Site) and the Service Description. You shall decide before placing any Order, that the Products to be ordered are suitable for your requirements and we accept no liability in respect of that decision.

5.2 We reserve the right to amend the specification for any of the Products if required by any applicable statutory or regulatory requirements.

6. **DELIVERY OF EQUIPMENT AND THIRD PARTY SOFTWARE**

6.1 We shall ensure that each delivery of the Equipment is accompanied by an appropriate proof of delivery.

6.2 We shall deliver the Equipment to the location set out in the Order or such other location as the parties may agree, at any time after we notify you that the Equipment is ready. Delivery of the Equipment shall be completed on the Equipment's arrival at the agreed delivery location.

6.3 We may transmit any Third Party Software (or any data necessary to access such Third Party Software) to you by email.

6.4 Any dates quoted for delivery of the Equipment or Third Party Software are approximate only, and the time of delivery is not of the essence.

6.5 You acknowledge (and otherwise hold us harmless in respect of the fact) that in the ordinary course of business a number of factors may affect the speed of delivery of the Equipment or the Third Party Software and that a period of time may elapse before delivery of the Equipment is completed or the Third Party Software becomes operational.

6.6 We shall not be liable for any delay in delivery of the Equipment that is caused by a Force Majeure Event or your failure to provide us with adequate delivery instructions or any other instructions that are relevant to the supply of the Equipment.

6.7 If you fail to accept or take delivery of the Equipment within fifteen (15) Business Days of us notifying you that the Equipment is ready, then except where such failure or delay is caused by our failure to comply with our obligations under the Supply Terms in respect of the Equipment:
(a) delivery of the Equipment shall be deemed to have been completed at 9.00 am on the sixteenth Business Day following the day on which we notify you that the Equipment was ready; and

(b) we may store the Equipment until delivery takes place, and charge you for all related costs and expenses (including insurance).

6.9 We may deliver the Equipment by instalments, which shall be invoiced and paid for separately. Each instalment shall constitute a separate contract. Any delay in delivery or defect in an instalment shall not entitle you to cancel any other instalment.

6.10 The risk in the Equipment and the media on which the Third Party Software is provided (if any) shall pass to you on completion of delivery in accordance with this clause.

7. QUALITY OF EQUIPMENT AND PROVISION OF THIRD PARTY SOFTWARE

7.1 We warrant that on delivery and for a period of 30 days thereafter, all SDC Hardware supplied under the Contract shall conform in all material respects with its description.

7.2 All Equipment other than the SDC Hardware (Non-SDC Equipment) is supplied to you subject to the relevant manufacturer's warranty only. We will accept returns of Non-SDC Equipment where such Non-SDC Equipment is faulty providing always that:

(a) such Non-SDC Equipment is returned to us within fourteen (14) days of delivery having been completed; and

(b) after a period of fourteen (14) days has elapsed following delivery, you shall be required to contact the manufacturer of such Non-SDC Equipment directly.

7.3 To the extent that any Third Party Software is supplied under the Contract, such Third Party Software is made available to you solely on an "as is" basis and is expressly subject to the disclaimer at clause 7.4 below.

7.4 We do not make any other warranties, guarantees or representations concerning the operation or performance of the Equipment or any Third Party Software. Subject to clause 7.2, the warranties contained in these Supply Terms are in lieu of all other express or implied warranties or conditions of satisfactory quality or fitness for a particular purpose in relation to the Equipment or any Third Party Software. Without
limitation, we specifically deny any implied or express representation that the Equipment (including any Third Party Software) will be fit:

(a) to operate in conjunction with any hardware items or software products other than those hardware items and software products that are identified by us as compatible with the Equipment (or the Third Party Software); or

(b) to operate uninterrupted or error free.

7.5 Subject to clause 7.6, if:

(a) you give notice in writing within a reasonable time of discovery that some or all of the SDC Hardware does not comply with the warranty set out in clause 7.1;

(b) we are given a reasonable opportunity of examining such SDC Hardware; and

(c) you (if asked to do so by us) return such SDC Hardware to us at our place of business at your cost,

we shall, at our option, repair or replace the defective SDC Hardware, or refund the price of the defective SDC Hardware in full. A copy of our replacement policy is available from us on request.

7.6 We shall not be liable for the SDC Hardware's failure to comply with the warranty in clause 7.1 if:

(a) you make any further use of such SDC Hardware after giving a notice in accordance with clause 7.5;

(b) the defect arises because you failed to follow our oral or written instructions as to the storage, installation, commissioning, use or maintenance of the SDC Hardware or (if there are none) good trade practice;

(c) you alter or repair such SDC Hardware without our written consent;

(d) the defect arises as a result of fair wear and tear, wilful damage, negligence, or abnormal working conditions; or

(e) the SDC Hardware differs from its description as a result of changes made to ensure it complies with applicable statutory or regulatory standards.

7.7 If your claim is subsequently found by us to be outside the scope or duration of the warranties in (and referred to in) this clause 7, the costs of transportation, investigation and repair of the Equipment shall be borne by you.

7.8 Except as provided in this clause 7, we shall have no liability to you in respect of the Equipment's failure to comply with the warranty set out in clause 7.1.
7.9 You acknowledge that other than in accordance with the Third Party Licence Terms, you shall not be entitled to reject or otherwise request a refund in respect of any Third Party Software or the data or code required to access such Third Party Software:

(a) during the utilisation of a Software Demonstration by you prior to your purchase of the corresponding Third Party Software; or

(b) where any Third Party Software is purchased in accordance with the Contract following the utilisation of a Software Demonstration by you.

7.10 Such access codes as are necessary to access any Third Party Software may, at our discretion, be transmitted to you by email.

7.11 You acknowledge that the re-activation of any Third Party Software will be completed where possible, but at all times in our discretion and will be subject to an administration charge payable by you to us.

8. LICENSING OF THIRD PARTY SOFTWARE

8.1 Title to the Third Party Software and in the media containing such Third Party Software shall not at any time pass to you under the Contract in any circumstances.

8.2 The Third Party Software may be used by you only in accordance with the Third Party Licence Terms. You acknowledge that you have sole responsibility to comply with the Third Party Licence Terms, and it is hereby notified that failure to comply with such Third Party Licence Terms could result in you being refused a software license to use the Third Party Software or having the same revoked by the owner or relevant licensor of the Third Party Software. You further agree to indemnify, keep indemnified and hold us harmless in respect of any costs, charges, losses or expenses incurred by us as a result of or in connection with any breach of (or any other failure to comply with) the Third Party Licence Terms by you.

9. INSPECTION AND TESTING OF EQUIPMENT AND THIRD PARTY SOFTWARE

9.1 Except in relation to the Publications, you shall:

(a) test and inspect the Equipment on delivery to ensure that it complies with the requirements of the Contract; and

(b) if so requested by us, allow our representatives to attend such inspection and/or tests.

9.2 You agree that prior to purchasing the right to use any Third Party Software, you shall utilise a Software Demonstration in respect of the same.

10.2 We do not accept Orders from addresses outside the United Kingdom and Channel Islands.

10.3 By placing an Order through our Site, you warrant that you are resident in the United Kingdom and are accessing our Site from that country.

10.4 In the event that you subsequently export any Equipment from the United Kingdom and Channel Islands, you shall be solely responsible for complying with any legislation governing:

   (b) the use and application of the Equipment and the Third Party Software in the country of destination.

11. **SUPPLY OF SERVICES**

11.1 We shall provide the Services to you in accordance with the Service Description in all material respects.

11.2 We shall use our reasonable endeavours to meet any performance dates for the Services specified in the Service Description, but any such dates shall be estimates only and time shall not be of the essence for the performance of the Services.

11.3 We shall have the right to make any changes to the Services which are necessary to comply with any applicable law or safety requirement, or which do not materially affect the nature or otherwise reduce the quality of the Services, and we shall notify you in any such event.

11.4 Subject to the Service Description, the Support Services may consist of:

   (a) remote usage assistance via a premium rate telephone line, bundled email support or online internet viewing; and

   (b) such other Support Services as we may in our discretion determine from time to time to be provided on such terms and conditions as we may stipulate.

11.5 We warrant to you that the Services will be provided using reasonable care and skill.
12. YOUR OBLIGATIONS

12.1 You shall:

(a) ensure that the terms of the Order are complete and accurate;
(b) co-operate with us in all matters relating to the Services;
(c) as requested by us, provide us, our employees, agents, consultants and subcontractors, with access to your premises, office accommodation and other facilities as reasonably required by us to provide the Services;

(h) ensure that:

(i) those of your employees and representatives to whom the Training Services are to be provided (Delegates) have attained the educational standards listed in the Service Description (the Educational Standards) in advance of receiving any of the Training Services; and
(ii) the minimum facility standards (including in relation to IT and internet provision) as stipulated in the Service Description are made available at the proposed location for the Training Services.

12.2 If our performance of any of our obligations in respect of the Services is prevented or delayed by any act or omission by you or failure by you to perform any relevant obligation (including where, in our reasonable opinion, any Delegate has failed to attain the Educational Standards (Customer Default)):

(a) we shall without limiting our other rights or remedies have the right to suspend performance of the Services until you remedy the Customer Default, and to rely on the Customer Default to relieve us from the
performance of any of our obligations to the extent the Customer Default prevents or delays our performance of any of our obligations;

(b) we shall not be liable for any costs or losses sustained or incurred by you arising directly or indirectly from our failure or delay to perform any of its obligations as set out in this clause 12.2; and

(c) you shall reimburse us on written demand for any costs or losses sustained or incurred by us arising directly or indirectly from the Customer Default.

13. CHARGES AND PAYMENT

13.1 The price for the Equipment and the Third Party Software shall be the price set out in the Order, except in cases of obvious error. It is always possible that, despite our best efforts, some of the Products listed on our Site may be incorrectly priced. We will normally verify prices as part of our dispatch procedures so that, where a Product's correct price is less than our stated price, we will charge the lower amount when dispatching the Product to you. If a Product's correct price is higher than the price stated on our Site, we will normally, at our discretion, either contact you for instructions before dispatching the Product, or reject the Order and notify you that we are rejecting it. If the pricing error is obvious and unmistakeable and could have reasonably recognised by you as an error, we do not have to provide the Products to you at the incorrect (lower) price.

13.2 Any prices set out on the Site from time to time are exclusive of all costs and charges of packaging, insurance, transport of the Equipment (and transmission of the Third Party Software), which shall be paid by you, and are exclusive of amounts in respect of value added tax chargeable from time to time (VAT). VAT will be added, where appropriate, during the ordering process.

13.3 For the avoidance of doubt, we may increase the prices of the Equipment and/or Third Party Software to reflect any increase in the cost to us which is due to any factor beyond our control (including any foreign exchange fluctuation, currency regulation, alteration of duties, change in legislation, significant increase in the costs of labour, materials or other costs of manufacture), any change in delivery dates, quantities or specifications for the Equipment or the Third Party Software which is requested by you, or any delay caused by any of your instructions or your failure to give us adequate information or instructions.

13.4 The charges for the Services shall be as stipulated in the Service Description. We reserve the right to change our charges for the Services at our discretion from time to time.
13.5 Payment of the price will be required in advance. You shall pay the price for the Products in pounds sterling.

14. INTELLECTUAL PROPERTY RIGHTS

14.1 All Intellectual Property Rights in or arising out of or in connection with the Services shall be owned by us.

14.2 You acknowledge that all Intellectual Property Rights used by or subsisting in the Equipment are and shall remain our property, or (as the case may be) the property of the third party owner of such Intellectual Property Rights.

14.3 We shall retain the property and copyright in all documents supplied to you in connection with the Contract and it shall be a condition of such supply that the contents of such documents shall not be communicated either directly or indirectly to any other person, firm or company without our prior written consent.

14.4 Our Intellectual Property Rights in and relating to the Equipment shall remain our exclusive property, and you shall not at any time make any unauthorised use of such Intellectual Property Rights, nor authorise or permit any of your agents or contractors or any other person to do so.

(a) nothing contained in the Supply Terms shall be construed as an assignment of any Intellectual Property Rights in the Third Party Software or user manuals; and

(b) you acknowledge that you are licensed to use such Third Party Software in accordance with clause 8.2 above, and by entering into the Contract, you agree to comply with the Third Party Licence Terms, whether provided with the Supply Terms or stated in documentation supplied either by us or by the owner or licensor of such Third Party Software.

14.6 You acknowledge that, in respect of any third party Intellectual Property Rights in the Services, your use of any such Intellectual Property Rights is conditional on us obtaining a written licence from the relevant licensor on such terms as will entitle us to license such rights to you.

14.7 All SDC Materials (as well as any materials produced and used in connection with the delivery of the Training Services) are our exclusive property and we hereby assert our rights in all Intellectual Property Rights therein to the maximum extent permitted by law.
15. **CONFIDENTIALITY AND OUR PROPERTY**

15.1 You shall keep in strict confidence all technical or commercial know-how, specifications, inventions, processes, materials, products or initiatives which are of a confidential nature and have been disclosed to you by us or our agents, and any other confidential information concerning our business or our products which you may obtain.

15.2 You shall restrict disclosure of such confidential material to such of your employees, agents or sub-contractors as need to know the same for the purpose of discharging your obligations to us, and you shall ensure that such employees, agents or sub-contractors are subject to obligations of confidentiality corresponding to those which bind you.

15.3 All materials, equipment and tools, drawings, specifications and data supplied by us to you shall at all times be and remain our exclusive property, but shall be held by you in safe custody at your own risk and maintained and kept in good condition by you until returned to us, and shall not be disposed of or used other than in accordance with our written instructions or authorisation.

15.4 This clause 15 shall survive termination of the Contract, however arising.

16. **LIMITATION OF LIABILITY**

(b) our total liability in contract, tort (including negligence or breach of statutory duty), misrepresentation (whether innocent or negligent), restitution or otherwise, arising in connection with the performance or contemplated performance of the Contract shall be limited to the price payable for the Products which are the subject of the claim.

16.5 Except as stated elsewhere in the Supply Terms, our liability in respect of the Third Party Software is limited to assigning to you (in so far as we are legally permitted to do so) the benefit of any warranties with which the Third Party Software has been made available to us.

16.6 We may provide links on our Site to the websites of other companies, whether affiliated with us or not. We cannot give any undertaking that products you purchase from third party sellers through our Site, or from companies to whose website we have provided a link on our Site, will be of satisfactory quality, and any such warranties are disclaimed by us absolutely.
17. **TERMINATION AND CANCELLATION**

17.7 In the event that you cancel any Training Session on less than fourteen (14) days’ prior written notice to us, no refund (or credit) of the price of such Training Session shall be made to you.

17.8 In the event that any postponement of a Training Session is requested by you on less than fourteen (14) days’ prior written notice to us:

(a) an additional sum equal to 20% of the price of such Training Session will be payable by you to us in addition to the published price of such Training Session; and

(b) you agree that any additional payment to be made in accordance with clause 17.8(a) above is a genuine pre-estimate of our loss incurred as result of such postponement.

18. **CONSEQUENCES OF TERMINATION**

18.1 On termination of the Contract for any reason:

(a) all materials, equipment and tools, drawings, specifications and data supplied by us, including the SDC Materials shall, at our option, be returned to us or disposed of by you in accordance with our written instructions. If you fail to return such materials having been requested to do so, we may enter your premises and take possession of them. In such event you shall be solely responsible for their safe keeping until they have been returned, and will not use them for any purpose not connected with this Contract;

(b) the accrued rights and remedies of the parties as at termination shall not be affected, including the right to claim damages in respect of any breach of the Contract which existed at or before the date of termination or expiry; and

(c) clauses which expressly or by implication have effect after termination shall continue in full force and effect.
19. GENERAL

19.1 Force majeure:

(a) For the purposes of the Contract, a **Force Majeure Event** means an event beyond our reasonable control, including but not limited to strikes, lock-outs or other industrial disputes (whether involving our workforce or any other party), failure of a utility service, IT or computer system or network (including email server), malfunction or delay or failure of a transport network, act of God, war, riot, civil commotion, malicious damage, compliance with any law or governmental order, rule, regulation or direction, accident, breakdown of plant or machinery, fire, flood, storm or default of suppliers or subcontractors.

(b) we shall not be liable to you as a result of any delay or failure to perform our obligations under the Contract as a result of a Force Majeure Event.

(c) If the Force Majeure Event prevents us from providing any of the Products for more than sixty (60) days, we shall, without limiting our other rights or remedies, have the right to terminate the Contract immediately by giving you written notice.

19.2 Assignment and subcontracting:

(a) We may at any time assign, transfer, charge, subcontract or deal in any other manner with all or any of our rights under the Contract and may subcontract or delegate in any manner any or all of our obligations under the Contract to any third party.

(b) You shall not, without our prior written consent, assign, transfer, charge, subcontract or deal in any other manner with all or any of your rights or obligations under the Contract.

19.3 Notices:

(a) Applicable laws require that some of the information or communications we send to you should be in writing. When using our Site, you accept that communication with us will be mainly electronic. We will contact you by e-mail or provide you with information by posting notices on our Site. For contractual purposes, you agree to this electronic means of communication and you acknowledge that all contracts, notices, information and other communications that we provide to you electronically comply with any legal requirement that such communications be in writing.

(b) All notices given by you to us must be given to The Very Efficient Heating Company Ltd at Old Station, Machynlleth, Powys, UK or
software@solardesign.co.uk. We may give notice to you at either the e-mail or postal address you provide to us when placing the Order, or in any of the ways specified in sub-clause (a) above. Notice will be deemed received and properly served immediately when posted on our Site, 24 hours after an e-mail is sent, or three days after the date of posting of any letter. In proving the service of any notice, it will be sufficient to prove, in the case of a letter, that such letter was properly addressed, stamped and placed in the post and, in the case of an e-mail, that such e-mail was sent to the specified e-mail address of the addressee.

(c) This clause 19.3 shall not apply to the service of any proceedings or other documents in any legal action.

19.4 Waiver and cumulative remedies:

(a) A waiver of any right under the Contract is only effective if it is in writing and shall not be deemed to be a waiver of any subsequent breach or default. No failure or delay by a party in exercising any right or remedy under the Contract or by law shall constitute a waiver of that or any other right or remedy, nor preclude or restrict its further exercise. No single or partial exercise of such right or remedy shall preclude or restrict the further exercise of that or any other right or remedy.

(b) Unless specifically provided otherwise, rights arising under the Contract are cumulative and do not exclude rights provided by law.

19.5 Severance:

(a) If a court or any other competent authority finds that any provision of the Contract (or part of any provision) is invalid, illegal or unenforceable, that provision or part-provision shall, to the extent required, be deemed deleted, and the validity and enforceability of the other provisions of the Contract shall not be affected.

(b) If any invalid, unenforceable or illegal provision of the Contract would be valid, enforceable and legal if some part of it were deleted, the provision shall apply with the minimum modification necessary to make it legal, valid and enforceable.

19.6 Entire Agreement:

(a) The Contract constitutes the entire agreement between the parties and supersedes and extinguishes all previous drafts, agreements, arrangements and understandings between them, whether written or oral, relating to its subject matter.
(b) Each party acknowledges that, in entering into the Contract and the documents referred to in it, it does not rely on any statement, representation, assurance or warranty (Representation) of any person (whether a party to the Contract or not) other than as expressly set out in the Contract or those documents.

(c) Each party agrees that the only rights and remedies available to it arising out of or in connection with a Representation shall be for breach of contract as expressly provided in the Contract.

(d) Nothing in this clause shall limit or exclude any liability for fraud or fraudulent misrepresentation.

19.7 **No partnership:** Nothing in the Contract is intended to, or shall be deemed to, constitute a partnership or joint venture of any kind between any of the parties, nor constitute any party the agent of another party for any purpose. No party shall have authority to act as agent for, or to bind, the other party in any way.

19.8 **Third parties:** A person who is not a party to the Contract shall not have any rights under or in connection with it.

19.9 **Variation:**

(a) We have the right to revise and amend the Supply Terms from time to time to reflect changes in market conditions affecting our business, changes in technology, changes in payment methods, changes in relevant laws and regulatory requirements and changes in our system's capabilities.

(b) You will be subject to the policies and Supply Terms in force at the time that you place your Order, unless any change to those policies or the Supply Terms is required to be made by law or governmental authority (in which case it will apply to your Order), or if we notify you of the change to those policies or the Supply Terms before we send you the Dispatch Confirmation (in which case we have the right to assume that you have accepted the change to the Supply Terms, unless you notify us to the contrary within seven working days of receipt by you of the Products).

19.10 **Governing law and jurisdiction:**

(a) The Contract shall be governed by and construed in all respects in accordance with English law. For the avoidance of doubt, the United Nations Convention on the International Sale of Goods shall not apply to the Contract.

(b) Subject to sub-clause (c) below, the parties submit to the exclusive jurisdiction of the courts of England and Wales.
(c) Nothing in this clause 19.10 shall limit our right to take proceedings against you in any other court of competent jurisdiction, nor shall the taking of proceedings in any one or more jurisdiction preclude us from taking proceedings in any other jurisdiction, whether concurrently or not, to the extent permitted by the law of such other jurisdiction.

19.11 Compliance with applicable law

(a) It is your obligation to acquaint yourself and to comply with all applicable requirements and restrictions imposed by law or by governmental and other authorities or corporations relating to the possession, use, import, export, or resale of the Equipment or the Third Party Software.

(b) It is your obligation to ensure that no Equipment or Third Party Software is exported or imported in violation of the laws of any jurisdiction into or through which the Equipment or the Third Party Software are transported during the course of delivery.

(c) Where necessary, you shall inform us at a reasonable time before delivery of any documents which it is necessary for us to provide in order to allow export of the Equipment or the Third Party Software in compliance with the laws of any relevant jurisdiction.
